

335253

Additional EASYKIT Wifi connected handsfree 7" screen internal unit white finish with EU standard plug-in power supply included. Touch control commands for main functions. Wall mounting installation. Thanks to the Wifi connection, you can associate the video internal unit to the Home + Security App (available for Android and iOS). You can manage by the App the main video internal unit functions (receiving calls, opening the door lock, view the cameras). Through the same App, it is also possible to manage the products of the Netatmo security range (outdoor and indoor cameras, door and window sensors, indoor siren and smoke detector). This allows you to quickly and easily create a Smart security system. NOTE : available from Q4_2023.
