

# 346040

2 wire audio system power supply with 6 DIN modular housing. Power supply  $110-240~{\rm Vac}~50-60~{\rm Hz}$ . On the output it supplies 26 Vdc rated low voltage, and a maximum rated current of 600 mA. It is protected on the PRI side (with fuses) against short circuit and overload. It is a SELV double insulation safety device

### Technical features

| Brand                 | BTicino                    |
|-----------------------|----------------------------|
| Rated voltage         | 110-240Vac                 |
| Frequency             | 50-60Hz                    |
| Modules               | 6                          |
| Protection class      | IP30                       |
| Plant type            | Audio 2Wires, Audio 2 fili |
| Operating temperature | 5 - 45°C                   |
| Series                | Accessories                |

## Commercial data

| Minimum quantity | 1             |
|------------------|---------------|
| Sales unit       | 1             |
| EAN code         | 8005543480700 |
