

346891

2 wire/IP interface in 10 DIN modular socket. It can be used for the installation of very large 2 wire/IP systems and a high number of devices (entrance panels, handsets and interfaces). The system will consist of an IP backbone and 2 wire risers. Advanced functions can be managed thanks to the IP switchboard (software). The device must be configured. **ATTENTION:** the interface is **NOT** compatible with Classe 300EOS and Hometouch internal units. Use **ONLY** in systems with Class 100 internal units.

Technical features

Brand	BTicino
Modules	10
