

363943

One-family kit with Classe 300X hands-free connected video internal unit (Dark finish) and Linea 3000 pushbutton panel (black finish). 2 wires/Wi-Fi hands-free connected video internal unit, Dark finish, with 7" horizontal touch screen LCD display, resolution 1024 x 600 pixel. Featuring a digital echo canceller for better audio quality. Thanks to the Wi-Fi 6 connectivity, the video internal unit can connect to 5 GHz or 2.4 GHz band routers to take advantage of the functions available on the Home + Security App (available for Android and iOS): call reception, door lock release, event timeline display, entrance panel activation, camera scrolling and advanced «Professional Studio» and «Do Not Disturb» functions. Through the Home + Security App, it is also possible to manage the products of the Netatmo security range (outdoor and indoor cameras, indoor siren and smoke detector). This allows you to quickly and easily create a Smart security system. Linea 3000 pushbutton panel with black finish zamak front cover and proximity reader with a kit of coloured RFID key cards and two clear discs for door lock release. Can be wall or flush installed with specific accessories: (350020) flush mounted box and (343063) flush mounted accessory - to be purchased separately. Can be fitted with rainshield (343053) - to be purchased separately. The pushbutton panel has a protection index IP54- protection index against mechanical impact IK10.
