

## 364622

bticino

Two-family handsfree video kit consisting of 2 CLASSE 100V16B video internal units, LINEA 2000 pushbutton panel with colour camera and 2 call pushbuttons. The push-button panel has a protection index against mechanical impact IK07 and protection index IP54. The video internal units have a 5" colour LCD display and 2 physical keys for the control of the main video door entry functions – answer and end a call – and 3 touch keys that allow the door lock release, the entrance panel activation/scrolling and the customisation of a most frequently used quick action – e.g. staircase light control, intercom, additional door lock activation, generic activations. They have a side lever to adjust: colour, brightness and display contrast, audio and call tone volume. There is a call exclusion notification LED. Wall mounted installation with the bracket supplied or table installation with support accessories (2 x 344692) - to be purchased separately.
