

373104

7" touch display premium indoor unit with Smart Home integration and SOS pushbutton. From the touch display, it is possible to answer the call, open the lock, call the other apartments and the guard station, view call and alarm logs, leave audio messages, receive messages from the guard station, adjust the settings (e.g. brightness, screensaver, backgrounds and ringtone) and view date/time information. It is possible to manage Smart Home devices through Home + Control app integrated. Alarm management can be easily integrated thanks to 8 prearranged dedicated contacts. The integration with the Onvif IP cameras allow to view the IP cameras of the apartment and the common areas from the indoor unit. It is possible to control the lift thanks to a dedicated interface. It is possible to associate the video indoor unit to the Home + Security App (available for Android and iOS). The App allow to use functions such as: receiving calls, door lock release, display of the event timeline, activation of the entrance panel. With the Home + Security App, it is also possible to manage the products of the Netatmo Security range (outdoor and indoor cameras, door and window sensors, indoor siren, smoke detector). This allows you to quickly and easily create a Smart security system. The indoor unit can be PoE (power over Ethernet) standard IEEE 802.3at, PoE 24V using ref 375002 or directly powered using power supply 375005. Wall mounted using the supplied bracket.

Technical features

Brand	BTicino
Rated voltage	24Vdc
Protection class	IP30
Dimensions	134x211x28mm
Height	134mm
Width	211mm
Depth	28mm
Maximum cable section	0.8mm
Plant type	IP
insertion	RJ45
Robustness	IP30

Installation height	160-165cm
Operating temperature	-10° - +55°C
Colour	Silver
Series	IP Door Entry System

Commercial data

Minimum quantity	1
Sales unit	1
EAN code	8005543814314
