

## FT83C100

bticino

BT DIN160 - 3P thermal-magnetic curve C -  $I_n = 100A$  -  $I_{cu} = 16kA$   
 -  $V_n = 400 V_{ac}$  - 4,5 modules

### Technical features

|                       |                |
|-----------------------|----------------|
| Brand                 | BTicino        |
| Reference Standard    | CEI EN 60947-2 |
| Rated voltage         | 400Vac         |
| Input current         | 100A           |
| Breaking capacity ICU | 16kA           |
| Switching curve       | C              |
| Modules               | 4.5            |
| Poles                 | 3P             |
| Protection class      | IP20           |
| Height                | 83mm           |
| Width                 | 80.1mm         |
| Depth                 | 76mm           |
| Maximum cable section | 50/70mmq       |
| Series                | Btdin          |

### Commercial data

|                  |               |
|------------------|---------------|
| Minimum quantity | 1             |
| Sales unit       | 1             |
| EAN code         | 8005543407851 |
