

# RD2E212B

**IME**

DELTA 72-F - Type A-filter residual current relay for flush mounting with powered filter - manual or automatic reset - instantaneous value %Idn by 4 led - Connection: low voltage lines with transformers series Del-Dela - Dimension: 72x72mm - Output: 1 relay with contact SPDT (alarm) - 115Vac

## Technical features

|                          |                      |
|--------------------------|----------------------|
| Brand                    | IME                  |
| Reference Standard       | EN60947-2 IEC60947-2 |
| Auxiliary                | 115Vac               |
| Differential current IDN | 0.05-30A             |
| Time setting             | 0-5s                 |
| Protection class         | IP20                 |
| Height                   | 72mm                 |
| Width                    | 72mm                 |
| Series                   |                      |

## Commercial data

|                  |               |
|------------------|---------------|
| Minimum quantity | 1             |
| Sales unit       | 1             |
| EAN code         | 8032826137549 |
