

BTICINO &gt; Door entry systems &gt; Professional kits &gt; Video door entry kits

## 315211

ONE-FAMILY BASIC 4-wires color video handset kit, wall mounted with internal automatic power supply, expandable up to 4 additional internal units and up to 1 additional entrance panel or a CCTV camera, offering just the basic door entry system functions: call, intercom, door lock activation, image cycling. Composed of a handset video internal unit, with a 4,3" color display and 12 ringtones, signaling LED and MUTE function; and a discrete Zamak entrance panel, with rain-shield, microphone and speaker volume adjustments, color camera and LED for enhancing lighting in the visual field.
