**318011**

ONE Family two wires colour WI-Fi connected video kits with wall mounted entrance panel. Metal finish entrance panel with rainshield, colour wide angle camera and LED for the night illumination of the field of view. Entrance panel can be easily adapted for two family houses. An external CCTV colour camera can be directly connected to the entrance panel. Wi-Fi connected handsfree 7" screen internal unit white finish with European PLUG-IN std power supply included. The system can be expanded up to 3 traditional handsfree internal units. Thanks to the Wi-Fi connection, you can associate the video internal unit to the Door Entry Easy Kit App (available for Android and iOS). You can manage by the App the main video internal unit functions (receiving calls, opening the door lock, view the cameras). Open at integration with connected third-party devices (e.g. NETATMO Smart Indoor and Smart Outdoor Cameras).

Technical features

Height	140 mm
Width	215 mm
