

BTICINO &gt; Door entry systems &gt; Internal solutions &gt; CLASSE 100 Internal Units

## 344292

Classe 100 2 wires audio internal unit with handset for wall mounted or table installation. It has 3 touch keys for the control of the main functions – door lock release, staircase light control and entrance panel activation/scrolling – there are further 4 configurable touch keys that perform different functions – e.g. staircase light control, intercom, additional door lock activation, generic activations. Bell volume adjustment (with call exclusion) using the appropriate selector. The installation can be made to the wall using the bracket supplied or using table support accessory (1 x 344692) – to be purchased separately. The device, also equipped with the professional studio (office) function, must be configured.
