

BTICINO > Door entry system > 2 wires system > Accessories

**346891**

2 wire/IP interface in 10 DIN modular socket. It can be used for the installation of very large 2 wire/IP systems and a high number of devices (entrance panels, handsets and interfaces). The system will consist of an IP backbone and 2 wire risers. Advanced functions can be managed thanks to the IP switchboard (software). The device must be configured.

Technical features

Dimensions	10 DIN
N° of modules	10 DIN
Series	Accessories
