

BTICINO &gt; Wiring devices &gt; Matix &gt; Technical safety devices &gt; Accessories for gas detectors

## AM5730

Signal repeater for gas detectors - optical/audible alarm - relay output with 1 switching contact 6 A resistive 2 A inductive - for manual reset gas solenoid valve control - 2 modules

### Technical features

Brand	BTicino
Rated voltage	230Vac
Rated current	2A/6A
N° of modules	2
Contact type	1
Series	Matix
