

BTICINO &gt; Low voltage energy distribution &gt; BT DIN miniature circuit breakers &gt; Surge protective devices (SPD)

## F10MB4

Surge protection device (SPD) - 4P - Type T1+T2 -  $I_{imp}=12,5kA$   
 -  $U_p=1,5kV$  -  $U_c=320Vac$  - 4 modules

### Technical features

|                              |                              |
|------------------------------|------------------------------|
| Protection index             | IP20                         |
| Max section                  | 16/25mmq                     |
| Height                       | 86mm                         |
| Width                        | 71.2mm                       |
| Depth                        | 68mm                         |
| N° of modules                | 4                            |
| Standard reference           | EN 61643-11 - IEC<br>61643-1 |
| N° of poles                  | 4P                           |
| Maximum current of discharge | 12.5kA                       |
| Series                       | Btdin                        |
