

BTICINO &gt; Solution for energy efficiency &gt; Supervision and measurement &gt; Power meters

## F21DM63

Single-phase meter for direct connection - output RS485 - In= 63A - 2 modules - MID certification guaranteeing the measurement precision in view of a re-billing of the power consumed.

### Technical features

Brand	BTicino
Standard reference	CEI 62053-21/23
Rated voltage	230Vac
Rated current	63A
Rated power VA	4
N° of modules	2
Protection index	IP51
Series	Measuring and supervision
