

BTICINO > Solution for energy efficiency > Supervision and measurement > Power meters

F41DM63

Three-phase meter for direct connection - output RS485 - In= 63A
- 4 modules - MID certification guaranteeing the measurement
precision in view of a re-billing of the power consumed.

Technical features

Brand	BTicino
Standard reference	CEI 62053-21/23
Rated voltage	230Vac
Rated current	63A
Rated power VA	4
N° of modules	4
Protection index	IP51
Series	Measuring and supervision
