

BTICINO > Distribution and management solutions for the service sector > Hotel Room Management > Actuators DIN type

F430V10

Actuator with 2 x 0-10 Volt outputs for the control of 0-10 proportional valves - SCS bus connection, 2 DIN modules

Technical features

Height	90mm
N° of modules	2
Standard reference	EN 60669-2-1 EN 50491-5-1 EN 50428
Rated voltage	27Vdc
Rated current	25 mA
Series	MyHome
