

BTICINO > Low voltage energy distribution > MEGATIKER - moulded case circuit breakers > Motor operators

M7875A48

Motor operators with direct activation for Megatiker with $I_n = 1600A$ - $V_n = 48 Vac$

Technical features

Height	142mm
Width	204mm
Depth	97mm
Rated voltage	48Vac
Series	Megatiker

Documentation
