

BTICINO > Medium voltage energy distribution > QMT - Medium voltage distribution boards > Protection relays

## QMTA020610

Interface panel (NV10P) with display measures/events [V], output RS485, [F27-F27T-F59-F59N-F59T-F81-F81R]

## Technical features

Standard reference	CEI 0-21
Series	QMT
