

## T7091/630

GL630 underneath earth leakage module for MA/MH/ML/MS630MT -  $I_n=630A$ ,  $I_{dn}=0,03-3A$ ,  $t=0-3s$  - signalization of percentage (%) of earth fault current.

### Technical features

|                             |                   |
|-----------------------------|-------------------|
| Brand                       | BTicino           |
| Standard reference          | CEI EN 60947-2-A1 |
| Rated voltage               | 500Vac            |
| Rated current               | 630A              |
| Earth leakage rated current | 0.03-3A           |
| Earth leakage type          | A-S               |
| N° of poles                 | 4P                |
| Height                      | 152mm             |
| Width                       | 183mm             |
| Depth                       | 105mm             |
| Series                      | MEGATIKER         |
