

## T803BE800

Draw-out version air circuit breaker 3P - In= 630A - Ue= 800Vac  
- Icu= 42kA - Frame 1

### Technical features

|                                   |                |
|-----------------------------------|----------------|
| Brand                             | BTicino        |
| Standard reference                | CEI EN 60947-2 |
| Rated voltage                     | 690Vac         |
| Rated current                     | 800A           |
| Ultimate breaking capacity<br>Icu | 42kA           |
| N° of poles                       | 3P             |
| Height                            | 465mm          |
| Width                             | 316mm          |
| Depth                             | 401mm          |
| Series                            | MEGABREAK      |
