

BTICINO > Medium voltage energy distribution > Cast resin transformer > Integrated boxes

231119

Box with cast resin transformer with power 160-200kVA
insulating class 36kV - protection degree IP31 (wall) IP20
(bottom) - colour RAL 7035

Technical features

Protection index	IP31
Height	2050mm
Width	2200mm
Depth	1400mm
Standard reference	CEI EN 60076-11
Rated power VA	160-200kVA
Series	Cast resin transformer
