

BTICINO > Medium voltage energy distribution > Cast resin transformer > Integrated boxes

231124

Box with cast resin transformer with power 400-500kVA
insulating class 36kV - protection degree IP23 (wall) IP20
(bottom) - colour RAL 7035

Technical features

Protection index	IP23
Height	2500mm
Width	2450mm
Depth	1450mm
Standard reference	CEI EN 60076-11
Rated power VA	400-500kVA
Series	Cast resin transformer
